First Baptist Church  
on Fifth

## Mission Statement

A family of faith seeking to know Christ and make Him known.

## Is there a Bible study group for me?

First Baptist Church on Fifth offers Bible study groups for adults of all ages—from babies to older adults. As a community of faith, we believe faith formation takes place in the context of Christian community. When we come together to discover more about God's story, our lives are transformed in the likeness of Christ. Bible study groups are where we connect, care, and serve with one another.

## Bible Study Content

Most Bible study groups at First Baptist Church on Fifth follow the lectionary cycle. The lectionary is a collection of various readings from the Bible arranged in a 3-year cycle. Over the course of 3 years, our Bible study groups cover a wide range of the Bible—exploring the depth and diversity of the biblical story. Other classes use various Bible study materials or focus on contemporary topics relating to faith and spirituality.

## Our Approach to Bible Study Groups

We encourage you to find a group that fits you. Our classes are arranged to help different people in different life stages encounter God.

## Schedule

Bible study groups meet weekly on Sundays at 9:15 am. Babies in childcare and children may be dropped off 15 minutes before the start of class (9:00 am).
